Communications Preferences

The Association, at all levels, will use your details to contact you with information relevant to Scouting.

Additionally, from time to time we would like to contact you with details of news, products, offers and services from The Scout Association and local Scouting in your area (Group, District etc).

Let us know if you would prefer not to receive information about any of the following:

I **do not** wish to receive details:

- about Scout Activity Centres and campsites
- of events and fundraising opportunities

Contacting you with the above information will support Scouting activities. All profits go straight back into Scouting to support the development of our leaders and growing Scouting around the UK, including areas where young people do not currently have the opportunity to join.

We may also have information, offers and opportunities for Scout members and supporters from carefully selected third parties or organisations that the Association may partner with.

- I am happy to receive information about third party or partner organisation offers and opportunities

The Scout Association will not transfer or sell your personal details to any third party organisations without consent or as required by law. Please note: You can amend your communications preferences online by editing your profile on Compass at any time.
