150th & Sheffield Canoe Club's partnership for our kids

Kayaking & Canoeing

Now your child's been kayaking or canoeing with 150th, he/she may be happy to leave it there.

But, if they really enjoyed it, there's a few options that they might want to know about. Each option involves our friends at Sheffield Canoe Club.

Friday Pool Sessions

- Hillsborough Leisure Centre
- Friday evenings (8.00pm – 9.30pm)
- For kids, it's £6.00 for an hour and £7.50 for almost 1½ hours.

This is kayaking in the large leisure pool.

Go to www.sheffieldcanoecub.co.uk/pool.html for more info.

Sunday River Sessions

- River Don @ Oughtibridge
- Sunday mornings (9.30am – 12.00pm)
- For kids, it's £3.50 per 2 ½ hour session
- For adults, it's £6.00 per 2 ½ hour session

Go to www.sheffieldcanoecub.co.uk/don.html for more info.

Membership

Through our partnership, all 150th youngsters automatically have membership paid for to become members of Sheffield Canoe Club.

This includes all beavers, cubs & scouts whether they are paddling with 150th on a Wednesday night, or at the pool on a Friday or at any other event.

Membership means kids get pay a reduced fee to join in.

Slalom Competitions

It might sound like a bit advanced yet, but the Sheffield Canoe Club have an annual slalom competition.

If your son/daughter is a scout, the chances are they've done at least 60% of the slalom course already.

Youngsters compete in boy/girl age categories. The competition attracts both experienced and beginner paddlers.

So there is nothing to stop your child having a go. After all, the 2028 Olympics are less than 15 years away...

Keep an eye on the canoe club events page as it will be listed there:

Family Weekend

The club runs a family weekend at Oughtibridge. This is normally in a summer month and can include:

- Saturday – 2.00pm till Dusk All types of canoeing, field games, archery, camping available, camp fire etc.
- Sunday – family morning on the river.

Sheffield Canoe Club background

The club is run by volunteers who are keen canoers and kayakers.

It's not-for-profit and really supports us to get 150th kids on the water and having lots of fun.
