

Can you...

# MAKE US TRULY AWESOME?

Teamwork is at the heart of Scouting, we build it in young people, and it takes teams of adults to make it happen.

This year we are planning on having absolutely loads of fun and to make it one of our best years ever! To make the most of all the opportunities in the Group we want as many children and parents as possible to take part.

If you can help the group, please let us know how you could support our events and camps by ticking one or more of the boxes below:

- Helping look after a small group of children
- Helping run activities
- Helping with event planning
- Record keeping/finances (can be done from home)
- Helping on occasional outings at weekends
- Helping with transport/logistics
- First aid
- Taking photos
- Setting up/clearing away the camp
- Other (please specify)

Please return this form to the young person's leader.

Parent's name: .....

Telephone number: .....

Email address: .....

Young person's name: .....
